## Free Guided Tours

In celebration of the Masonic Temple's 150th anniversary, the Grand Lodge of Pennsylvania will offer **free guided tours to the public on the first Sunday of every month, beginning in April.**

As a member benefit, while admission to the Masonic Temple is ALWAYS free for PA Masons, free admission will be offered to members' families and friends ONLY on the first Sunday in March. This includes family and friends of members of the Order of the Eastern Star and Prince Hall. To give members a chance to share this beautiful Masonic landmark with those close to them, the first Sunday in March will NOT be open to the general public.

If you'd like to assist with staffing for the free tour days, please contact Michael Comfort at [MComfort@pagrandlodge.org](mailto:MComfort@pagrandlodge.org) for more information.

*Free for all PA Masons AND your families and friends. Show off our beautiful Masonic Temple!*

**Sunday, March 5**  
Tour times: 10 a.m., 11 a.m., 1 p.m., 2 p.m. and 3 p.m. No reservations required.
